LB 183, 60, 179

SENATOR CULLAN: Mr. Chairman and members of the Legislature, I move that LB 183 be advanced to E & R for Engrossment.

PRESIDENT: Discussion? All in favor say aye, contrary say nay. They are adopted.

SENATOR CULLAN: Mr. Chairman and members of the Legislature, I move the E & R amendments to LB 60 be adopted.

PRESIDENT: I'm afraid I phrased the motion improperly on 183. I called for the adoption of amendments rather than the advancement of the bill. I'll put the question again for the record. Shall 183 be advanced? All in favor say aye, contrary say nay. The bill is advanced. Now, Senator.

SENATOR CULLAN: Mr. Chairman, members of the Legislature, I move the E & R amendments to LB 60 be adopted.

PRESIDENT: Discussion? All in favor say aye, contrary say nay. They are adopted.

SENATOR CULLAN: Mr. Chairman and members of the Legislature, I move that LB 60 as amended be advanced to E & R for Engrossment.

PRESIDENT: Discussion? All in favor say aye, contrary say nay. The bill is advanced.

SENATOR CULLAN: Mr. Chairman and members of the Legislature, I move that the E & R amendments to LB 179 be adopted.

CLERK: Mr. President, there are no E & R amendments to 179, but there is a motion offered by Senator Koch on Page 2, line 26, strike "fifty" and insert "thirty". Line 27, strike "sixty" and insert "fifty-one".

PRESIDENT: Chair recognizes Senator Koch.

SENATOR KOCH: Mr. President and members of the body, it's obvious that the request of 279 or 179 are not going to be favorably treated in terms of this body nor the Governor. The amendment is an attempt to bring about what I believe is an additional sum of money that may not be exactly what some of us would want. But at least it would be given serious consideration by this body. I understand the Governor has a recommendation of a certain amount of money which closely parallels the amount which I have requested in this amendment. Senator Chambers is probably looking at the amendment which approximates one-half the difference of what the bill calls for and what the amendment calls for in terms of money going to those on ADC. I respectfully encourage your support of this amendment.

PRESIDENT: Senator Chambers.

SENATOR CHAMBERS: Mr. Chairman, before I comment I would like the Clerk to read those figures that Senator Koch gave in his amendment.

CLERK: The amendment, Mr. President, is found in the Journal on page 524. Read amendment.
